TITAN POKER BONUS CODE

Las Vegas, Nevada - 2009-06-20 - Titan Poker Gives Away \$55,000

Titan Poker, a company which always has amazing offers, has a spectacular June offer for its players and for new customers.

Alongside the World Series of Poker, taking place in Las Vegas, Titan Poker is having a promotion. Primarily in the month of June, the poker site has a number of promotions aimed at gathering new customers and giving old customers a chance to enjoy the good life.

The newest promotion, the Year Of World Poker Freeroll, allows new customers at Titan Poker, who make their first deposits in June of 2009, a promotion that goes along with the numerous other promotions the company already offers. Normally, if a player was to make his or her first deposit with Titan Poker, they would get a signup bonus, and also entry into the Freeroll for new depositors. This still happens during June, but the new depositor also gets 5 entries into various satellite tournaments. These lead to a freeroll tournament, which is worth \$20,000. Congruently, the players are awarded with four satellite entries, which allow them to have a chance to appear in the World Poker Freeroll tournament July 2nd.

New players who win a chance to sit at this tournament will get a prize package worth \$35,000. This includes seats at the Asian Poker Tour Macau, the ECPokerTour, the Irish Winter Festival, and the Irish Open 2010, as well as the World Series of Poker Main event of 2010.

Titan Poker explains that this is a truly international prize, and that any poker buff should be excited at the chance to win this prize. However, this prize is not all that Titan Poker has to offer, so players, both new and old, should recognize that with Titan Poker, they are going to be able to have a chance to win many different tournaments. There are also several promotions that all players can enter in, while they are waiting for the tournaments and satellites to begin.
