Empire Medical Training has trained over 29,000 Health Care Professionals, including Dentists for over 10 years providing continued education and accredited training. As a leader in Aesthetic training for Dentists, Empire is proud to have been chosen by the FDA (Florida Dental Association) to train their member Dentists in [Botox Cosmetic](#) and Injectable Dermal Fillers. Empire Medical Training was present at the FDA convention and held various workshops in Aesthetic Procedures for Dentists.

[Empire Medical Training](#) has acquired a distinguished reputation in education and is consistently adding new training programs that provide the newest techniques and procedures in Autologous fat transfer & grafting, hCG weight loss, anti-aging medicine bio-identical hormone replacement therapy (BHRT), and pain management injection procedures. Empire serves as a Training Facility for Allergan (Botox, Juvederm) and Medicis (Restylane), along with many of the largest Aesthetic Laser Manufacturers.

Empire's training is through hands-on experience and didactic sessions. Empire guarantees that all attendees will perform procedures on volunteer patients and with the Comprehensive Botox Cosmetic and Dermal Filler courses attendees may bring along a test patient to receive a free Botulinum Toxin (Botox®) treatment. Empire's Aesthetic programs are taught by Plastic Surgeons, Aesthetic Dermatologists, along with Oral Surgeons and other specialists in aesthetics.

The programs at Empire Medical Training are fully accredited to provide Surgical Workshops, Aesthetic Workshops, Pain Management Injection Procedures, Liposuction, Mesotherapy, Cellulite, and Lipo Therapies. With over 200 CME Medical and Aesthetic workshops offered each year throughout the country with many providing a temp practice license upon training course completion.

Empire Medical is proud to announce the addition of Dysport® and Reloxin training to all our Comprehensive Botox, Comprehensive [Dermal Filler Training](#) and Aesthetic Programs. A goal of Empire Medical is to provide the most current, relevant information for Physicians and Health Care Providers. Empire provides Preceptorships to Dentists and Physicians only, training One-On-One with a Plastic Surgeon in their office. Empire will soon make the addition of Colonoscopy training with new and innovative techniques so check for future course dates and locations on this exciting new workshop.

The Newest concept for Aesthetic training is the Private Aesthetic Training program for details on this program or any other medical workshop contact Dr. Stephen Cosentino toll free at 1-866-333-6747 or at <http://www.empiremedicaltraining.com>
